Administrative expense per IRS filing 990 is less than 5% of revenue. We have no employees. Volunteers run the organizations. For additional information please call 1-877-943-2769.

During 2010 our goal is to raise \$400,000. To help achieve this, we have planned exciting events throughout the year for you and your entire family to participate and enjoy. We are thrilled to have our **Annual Dinner in November** will be even more exciting. Again we will make arrangements for everyone in your family to participate, enjoy and go home filled with pride.

Many employers encourage their employees to give to organizations like ours through "matching gift" initiative. **American**

Express, Bank of America, Chubb & Co, Johnson & Johnson, McKinsey & Co, Prudential Insurance, Reuters have matched and some have even double matched their employee's donation to us. We urge you to sign up for this program if that is available to you. **United Way** is another source of revenue for us. Please spread the word about these very good sources of revenue. We will never be able to repay the debt of gratitude we owe you for being our partners and for making the future of our **"differently able"** children brighter and better.

We ask you to raise funds for our Walk-A-Thon for our events in addition to making your own monetary contribution as this helps spread the word about "Heart and Hand for the Handicapped".
